Thanks for stopping by our display! We hope you enjoyed it as much as we enjoyed building it. We are members of the Chicago-area group called the **Chicago Haunt Builders**. This group gathers throughout the year and helps each other build fantastic props for our Halloween displays.

While we are very proud of our display, we are also proud to share the displays of our friends and fellow members. Please check them out and let them know we sent you. This list contains members who agreed to list their haunts for people to come take a look. You will find information about each display, their hours of operation, and any info about donations. All information is provided by the haunt owners and hours of operation may be subject to weather conditions.

**Scare Ratings** are a guide for your family's enjoyment.
